MAIN EVENT	FIGHTER A: _____ VS FIGHTER B: _____ (5 ROUNDS)			
A				
B				

10-point must: round winner gets 10, loser 9 or less. Dominant = 10-8. Even = 10-10. The right-hand cell is your fight total. Damage first, then control, then volume. Score the round you just watched — not the one you hoped for. After the decisions, post your card: **#KenkaJudging** — the people's card vs the judges'.
